## 1. GENERAL CONDITIONS AND DEFINITIONS

---

**This schedule of charges and the below definitions and conditions are in addition to the Abu Dhabi Port Company Standard Terms and Conditions, which shall form an integral part of the schedule of charges and govern the use of the port or provision of services by AD PORTS. The Port dues and charges are imposed by virtue of the Port Authorities powers under Emiri Decree No. (6) of 2006 and its amendments and subject to the regulations and instructions of the Department Of Transport - Transport (General) Regulations 2010 / ArticleTP26/10 Ports Dues & Charges.**

## 2. DEFINITIONS

---

**2.1** AD PORTS: The Abu Dhabi Ports Company

**2.2** Musaffah Channel:

Musaffah Channel includes all channels and approaches to Musaffah and also includes all the water alongside the jetties and quays in the Musaffah Industrial Area.

**2.3** Channel:

Channel charge is levied on all vessels entering the channel and is levied on the Gross Tonnage (GT) of a vessel. The charges shown in the tariff are valid for a single-way transit through the channel either for an inward or outward movement. A tug engaged in towing operations whether attached to the tow or standing by in close attendance pays the appropriate charge as a separate vessel.

Any floating structure or pontoon or cargo or material of whatsoever nature that does not have a defined or declared GT or DT and which is towed by a tug or tugs or similar vessel(s), will be treated as one unit and will be charged two times the GT of the towing vessel/tug, as per the rate in the applicable tariff.

**2.4** Shifting:

Applies to vessels shifting between berths within a channel; or any vessel movement that uses part of the channel without leaving the channel; or any vessel required to cross the channel as nearly as practicable at right angles between berths.

**2.5** Day: A calendar day consisting of 24 continuous hours commencing at midnight.

**2.6** Gross Tonnage (GT):

Shall mean the Gross Tonnage (GT) of a vessel as recorded in the valid National or International Tonnage Certificate, issued by a vessel's national administration or classification society on behalf of the national administration. Where a vessel or craft has a dual GT, then the higher figure applies. Vessels, such as warships or special vessels not measured as above will be charged as though their full load displacement tonnage (DT) was their GT.

- 2.7** LOA: Length Overall
- 2.8** Metric ton: A weight of 1000 kilos
- 2.9** Freight Ton (FRT): Unless otherwise specified, all tons shall be regarded as freight tons and shall be determined by a weight ton of 1000 kilos or a measurement ton of one cubic meter, whichever is greater.
- 2.10** CBM: A volume of one cubic metre
- 2.11** Port Clearance Certificate:
- 2.12** A certificate issued by AD PORTS to vessels who have complied with all government formalities, have not been detained by order of a court of competent jurisdiction or a government agency and have paid all charges due to AD PORTS, before a vessel is given permission to leave an AD PORTS Port.
- 2.13** NO: No Objection.
- 2.14** FOC: Free of Charge
- 2.15** Vessel: Except as otherwise specified, when the term "Vessel" is used in this Tariff, it shall be held to mean floating craft of every description and shall include in its meaning the term "Owners, Charterers, Operators and Mortgagees thereof."
- 2.16** Ro/Ro Vehicle: Any truck, car, trailer or similar vehicle on wheels or tracks capable of being 'rolled-on or rolled-off' a vessel, (including cassettes, non- wheeled trailers and containers) by means of a ramp.
- 2.17** Ro/Ro Vessel: A single or multi deck cargo ship for the carriage of laden vehicles which are loaded via ramps.
- 2.18** Direct Delivery: Means discharging or loading of cargoes to or from any vessel across the rails or ramp directly into or from a truck and/or trailer and/or similar vehicle, without the cargoes touching the jetty or terminal area or ground, or the vehicle stopping in the Terminal Area.
- 2.19** Small Port Business: A business with a turnover of less than AED 1,000,000 per year.
- 2.20** Large Port Business: A business with a turnover of more than AED 1,000,000 per year.
- 2.21** IMDG Code: The International Maritime Dangerous Goods Code
- 2.22** Bunker Surcharge (**BAF**) is the charge levied as per the scale measured against Platt's average Fujairah.
- 2.23** Charges per Hour or Part Thereof: are defined in the following way; for example, if services are used for 1 hour and 15 minutes, the charge levied will be for 2.0 hours.

### **3. CONDITIONS**

---

- 3.1** Alterations to schedule of charges:
- 3.2** AD PORTS reserves the right to amend, change, edit or alter from time to time, any or all items under this schedule of charges, including terms and conditions or interpretations contained herein.
